### Shropshire Reared Traditional Turkey

The Huxley family from Shifnal rear birds with care, in the traditional farm way. They mature in large buildings, open to the elements, with plenty of room and fresh straw. Oven ready and full of flavour.

Size: 10-25lbs

### Shropshire Turkey Crown

Shropshire turkey without the legs, perfect for those who don't use the dark meat. The wings are still attached and the breast bone in, enabling the bird to stand upright for carving.

Size: 6-12lbs

### Kelly Bronze Turkey

'Britain's most awarded turkey' from Shrewsbury. With good old-fashioned flavour & texture the Kelly Bronze is bred to provide the ultimate Christmas dining experience. Hand plucked and hung for fourteen days, Kelly Bronze are the Rolls Royce of free range birds. Also available as a crown or boneless joints.

Size: 10-25lbs

### Free Range Brisbourne Goose.

Traditional day bird, free range from Shrewsbury.

Size: 10-15lbs
